---

I'm a passionate UI/UX designer with hands-on experience in Figma and a solid foundation in HTML and CSS. Currently pursuing a Bachelor's in Computer Application, I enjoy bringing ideas to life through clean, user-friendly designs. I'm driven by a love for solving problems creatively and crafting digital experiences that are both beautiful and functional. With a strong focus on the user, I aim to design interfaces that feel natural, intuitive, and impactful.

## EDUCATION

---

### Bachelors in Computer Application (BCA)

Kathmandu

*Ratna Rajyalaxmi Campus*

November, 2023 – Present

Currently enrolled in a comprehensive program focused on software development, computer systems, and IT solutions. Building a strong foundation in programming, problem-solving, and technology-driven innovation to create practical and user-focused digital solutions.

### Secondary Level Education

Butwal

*Maninukunda College*

Feb, 2020 - Feb, 2022

Completed a rigorous curriculum emphasizing advanced mathematics, physics, and foundational sciences, developing strong analytical and problem-solving skills.

## PROJECT

---

### Mom's Cafe

Designed a responsive website prototype in Figma featuring

- Intuitive navigation: Easy access to menu, services, and online ordering.
- Accessible design: Inclusive interface catering to families and busy parents.
- Seamless UI: Warm and inviting layout delivering a cozy, friendly cafe experience.

### Flower

Created a responsive flower shop website prototype in Figma featuring:

- Designed a responsive flower shop website in Figma with intuitive navigation for easy browsing.
- Created an accessible layout suitable for all users, including gift buyers and event planners.
- Developed an elegant and vibrant UI that reflects the freshness and beauty of flowers.

### E-commers Mobile Application

Designed a user-friendly mobile application prototype in Figma featuring:

- Intuitive navigation: Smooth browsing of products, categories, and cart.
- Accessible design: Inclusive layout tailored for all users, ensuring easy shopping on any device.
- Seamless UI: Clean and modern interface focused on enhancing the mobile shopping experience.

**TRAINING/CERTIFICATION**

---

## UI/UX Training Workshop

---

April 2025

Mindrisers institute of technology

Completed a 2.5-month training in UI/UX Design, focusing on wireframing, prototyping, and frontend implementation using HTML, CSS, and React, while designing intuitive and user-friendly interfaces with Figma.

# UI/UX Design Course

June 2025

Udemy

Completed a 10.5-hour UI/UX course on Udemy with Marcus Menti and Zechariah Tech. Learned UI/UX design using Figma and Adobe XD, focusing on wireframing, prototyping, and creating user-friendly digital products.

## UI/UX Training Workshop

July 2025

Ratna Rajyalaxmi Campus

Completed a 1-month UI/UX Design training, gaining hands-on experience in wireframing, prototyping, and frontend development (HTML & CSS), and designing responsive, intuitive interfaces using Figma.

---

## SKILL

UI Designing	Figma, Adobe XD
Frontend Development	HTML, CSS
